***Adult Toy Store Announces Lesbian/ Bi/ Transgender Porn Film Night at the Leather Archives & Museum***

Chicago, IL, 6/24/08 — Sex writer Amy Andre and adult toy store Early To Bed co-present Queer Porn-ucopia, a red-hot evening of the sexiest scenes of queer lust ever caught on film. This event takes place at 7 p.m. on 7/24/08 at the Leather Archives & Museum, at 6418 N. Greenview Ave @ W. Devon Ave. Tickets are available at the door, or in advance at Early To Bed, 5232 N. Sheridan, for a suggested donation of \$8 - \$10, with no one turned away for lack of funds. A very special kind of “ladies night,” this event is open to adults of all genders.

Amy says, “Bring a date – or get ready to go home with one. Lesbians, bi women, and trans folks will be taking over the Leather Archives and having a fabulous time. We’ll be showing our favorite scenes from independent queer porn. Chicago hasn’t seen anything like this before!”
